CALL FOR PAPERS

Dear Sir/Madam

International Conference on Physics and Allied Sciences (ICPAS- 2020) conference discusses technological developments, new discoveries, new approaches, latest trends in research in Physics and allied sciences. There will be Lectures, Debates, Plenary Talks, Distinguished Talks, Oral & Poster Sessions, and Panel Discussions etc. This Conference gives us an opportunity to learn more about Physics.

Organizing Committee invites the original unpublished articles /case studies on the sub themes of the conference and related areas. The Abstract along with full length paper in IEEE double column format should be sent to kstaconferencebidar@gmail.com on or before 29 February, 2020. Selected papers will be published in conference proceedings with reputed publishers having ISBN.

Topics of the Interest are included but are not limited to:

- Classical and Modern Physics
- Condensed Matter Physics
- Astrophysics & Cosmology
- Material Physics
- High Energy Nuclear Physics
- Molecular & Atomic Physics
- Quantum Science and Technology
- Mathematical & Computational Physics
- Advances in Material Science
- Phase Transition, Quantum Fluids and Solids
- Insulators, Semiconductor & Dielectric Material
- Photonic materials & Plasmonic
- Single Crystals & Novel Materials
- Organic, Inorganic & Biomaterials
- Glasses, Ceramics, Polymers & Composites
- Surface, Interface & Thin Films
- Electronic Structure & Phonons
- Superconductivity, Magnetism & Spintronics
- Advances in Nanotechnology
- Optical Physics
- Electromagnetism
- Electronics
- Thermodynamic, Structural & Mechanical properties
- Computational methods, Simulation & Applied Physics

Important Dates:

Paper Submission Starts: 15/01/2020
Paper Submission Deadline: 29/02/2020
Acceptance Notification: 05/03/2020
CRC Submission and Registration: 06/03/2020
Conference Dates: 11th to 13th March, 2020

With Regards
General Chairs ICPAS 2020
