Brief report about workshop on
"Information and Communication Technology(ICT)"

Department of computer science organized an awareness session on the topic "Information and Communication Technology(ICT)" on 7th Nov 2017 at 10am. Mrs. Sujata Hippargi. Lecturer of Comp. Sci. BVB college Bidar was lecturer for the session. She spoke about importance of ICT,use of ICT, merits and demerits of ICT,understanding, workplaces of ICT, developing skills using ICT etc.

ICT is leveraged for economic, societal and interpersonal transactions and interactions. ICT has drastically changed how people work, communicate, learn and live. Moreover, ICT continues to revolutionize all parts of the human experience as first computers and now robots do many of the tasks once handled by humans. For example, computers once answered phones and directed calls to the appropriate individuals to respond; now robots not only can answer the calls, but they can often more quickly and efficiently handle callers' requests for services.

A total of 30 participants including faculty members and students of B.C.A. attended the session. Lecturer also Adressed and clarified the questions posed by the participants. Feedback from the participants was obtained at the session. The programme was coordinated by IQAC B.V.Bhoomarradi college Bidar.

Activity Report: The Career Guidance, Training and Placement Cell of **B.V.Bhoomaraddi College of Arts, Science and Commerce Bidar,** organized by Career Guidance, Training and Placement Cell in association with UWRED Cross Unit .

Anil Kumar Anadure, TPO, welcomed the guests.

Shri. Mahanth Swamiji, from Jagadguru Tontadarya Branch of Delhi, addressed that concept of religion is to inculcate human values in man. But he is the custodian of mankind who acquires the knowledge to realize himself through religion. The rule of the nation is not limited to one person or religion and that it is the constitution that governs the country and not religion.

The program was presided over by the principal of the college, Dr. S. K. Satnoor, on this occasion, Prof. Sidramappa Masimade, on behalf of senior professors, honoured the venerable.

On this occasion, Prof. Umakant Meese introduced the guests, while the Red Cross program officers, Dr. Hanmanthappa B. Sedamkar hoisted the program at the end Prof. B. M. Biradar proposed Vote of Thanks.

Students and staff were present in the program.

Brief report about workshop on
"Fundamentals of Computer"

Department of computer science organized an seminar session on the topic "Fundamentals of Computers" on 18th october 2021 at 10am. Mr. Kishor kumar patil Lecturer of Comp. Sci. BVB college Bidar. was person for the session. He spoke about Fundamentals of computer i.e. Input and output devices , generations of computer,Types, places where computer are used, breif explaination of ms office etc.

In this session we present an overview of the basic design of a computer system: how the different parts of a computer system are organized and various operations performed to perform a specific task. You would have observed that instructions have to be fed into the computer in a systematic order to perform a specific task. Computer components are divided into two major categories, namely, hardware and software. In this lesson we will discuss about hardware, i.e., the machine itself and its connected devices such as monitor, keyboard, mouse etc., as well as software that makes use of hardware for performing various functions.

A total of 25 participants including faculty members and students of B.A. attended the session. Lecturer also Adressed and clarified the questions posed by the participants. Feedback from the participants was obtained at the session. The programme was coordinated by IQAC B.V.Bhoomarradi college Bidar.
