

**A Career Guidance and Placement Awareness Program** was organized on 28/3/2026 at 10 am. in collaboration with the Career Guidance and Placement Cell, in association with Bright Business School, Hubli.

The main objective of the program was to create awareness among students about career opportunities, placement processes, and industry expectations. Such initiatives help students understand the current job market trends and prepare themselves for future employment. Career guidance programs play a crucial role in developing students' employability skills, including communication, resume writing, and interview techniques.

The resource persons Yogesh Kumar from Bright Business School, Hubli, delivered an informative session highlighting various career paths, higher education opportunities, and essential skills required to succeed in the corporate world. They also provided insights into placement procedures, aptitude preparation, and personality development.

The session was highly interactive, where students actively participated and clarified their doubts regarding career planning and job opportunities. The speakers motivated the students to enhance their skills and remain confident while facing interviews and competitive examinations.

Faculty members, Dr.Mallikarjun Kote ,placement coordinators Dr.Pooja Suryawanshi ,and final year students attended the program. The event proved to be very beneficial in guiding students towards making informed career decisions and preparing them for future challenges.

The program concluded with a vote of thanks, by Dr.Samrat Payad HOD Mathematics expressing gratitude to the resource persons and organizers for conducting such an insightful session.
