

WOMEN CELL

Objective:

To empower women students and staff by ensuring safety, dignity, equality, and a supportive environment that fosters their overall development.

About the Cell:

The Women Cell is a dedicated body committed to promoting gender equity, safeguarding the rights of women, and creating a secure and inclusive campus environment. The Cell functions as a proactive platform to address issues concerning women's welfare, safety, and empowerment.

It strives to build awareness on gender sensitivity, legal rights, and social responsibilities, while also ensuring that women feel respected, protected, and confident within the institutional framework.

Functions:

- Address and redress grievances of women students and staff in a fair and confidential manner
- Promote awareness on women's rights, gender equality, and legal provisions
- Ensure a safe, secure, and harassment-free campus environment
- Organize seminars, workshops, and awareness programmes
- Provide counseling and support services when required
- Coordinate with relevant committees for effective action

Key Initiatives:

- Awareness programmes on women's safety, health, and legal rights
- Gender sensitization campaigns
- Counseling and guidance support
- Celebration of International Women's Day and related activities
- Promotion of leadership and participation of women in academic and co-curricular activities

How to Report:

Women students and staff can report concerns or grievances without fear through the following channels:

- Contact any Women Cell committee member
- Submit a written complaint to the Cell
- Use the official email/helpline provided by the institution

All complaints will be handled with strict confidentiality and prompt action.
